To: Group Child Care Licensees
Day Camp Licensees

From: Jill Chase, Director 
Bureau of Regulation and Licensing

RE: License Fee Increase

As a result of the recently signed state budget, the license fees for group child care centers and day camps will increase from \$8.47 to \$10.33 per child. The fee increase is effective August 1, 2005. The "per child" fee is based on the licensed capacity of the program. The base rate of \$30.25 per location remains the same.

Licenses are reviewed and continued on a two year basis. As your license comes up for continuation, the new fee will be due. It will be noted on the letter you receive with your application materials 60 days before your license continuation date.

Please contact your licensing specialist or the appropriate regional office if you have any questions.
